

2015 PTA AWARDS

OUTSTANDING EDUCATOR and GOLDEN ACORN

The Northwood PTA will give the Outstanding Educator Award which recognizes an individual(s) who goes beyond the normal expectations of their job to make the learning environment fun, beneficial, and challenging. Also, as in past years, the Golden Acorn award will be awarded to an individual(s) who has given exemplary volunteer service to the children and youth in our school and community. The Golden Acorn Award is a special honor and is given for continued and dedicated service. A contribution will be made in the recipients names to the Washington State PTA Financial Grant Program.

We would like your input in the selection of our award recipients. Your recommendations will help the PTA Award Committee to make their selection. Recipients will be honored at the May PTA General meeting at Northwood.

Please complete this form and return it to school by Friday, April 10th. Please fill out only one form per family. Thank you for assisting us in honoring our extraordinary Northwood Educator and Northwood Volunteer!

I recommend that _____ be considered for the 2015 Outstanding Educator Award.
